

India Alexis

Goal:

- Complete my study on smoking interventions and distribute the data

1st quarter:

- Identify the 12 step programs LGBT nationwide where I can do cessation outreach

2nd quarter:

- Distribute the tobacco plan that we created to 12 step LGBT

4th quarter:

- Get my cessation program out to the API community and youth of color

Tom Aloisi

- (by 1st quarter) – Set up Boston “Gay American Smokeout” on 11/20/03
- (by 2nd quarter) – Help organize GLBT preconference institute in December
- Help with dissemination of National “Sign-On” campaign for GLBT organizations to start working on tobacco issues

Urooj Arshad

Goals:

- Will assist in the development of a website and budget (I came up with these at the sustainability workgroup)
- To make sure that tobacco prevention and cessation work happens at NYAC

1st quarter:

- Work with Donald to develop website and assist in developing budget plan (with Loretta Worthington and Misty Burmeister)

2nd quarter:

- Same as above

3rd quarter:

- Continue conversations around sustainability including website and funding

4th quarter:

- Same as above

Judy Bradford

Goals:

- Work with Dee Lawrence to develop and implement strategies to (1) extend end date for P.A. for "LGBT" research and (2) renew P.A. for social and cultural dimensions for additional 5 years

By 1st qtr: have begun to implement plan- at least 2 initial meetings held

By 1st qtr: develop 1 page concept sheet

- Work with Witeck-Combs (Colleen D.) and others to develop and implement a specific plan for capturing the research data to support a national PR campaign

By 1st qtr: have 1 meeting in DC; summarize results at GLMA strategy session re: PR

- Take lead on compiling intervention programs, reviewing them and developing tabular presentation

By 1st qtr: have info gathering process developed

By 3rd qtr: have materials collected and review matrix developed

By 4th qtr: complete review and disseminate results

Terry Burch

- Work on sending an email to TTAC about the CD-rom (action item 5)
- Help with the letter-writing campaign

Misti Burmeister

Goals:

- Assist in the development of the website
- Assist in the creation of the budget for the website
- Continue to be available to other groups with the coordination of their activities
- Please contact me when I can help: phone: 240-401-4397; mistihappy@aol.com

Margaux Delotte-Bennett

Goals:

- Monthly tobacco programming in the youth center with average 10 youth
- Start cessation group (closed maybe 8 weeks)
- Make temporary tattoo

1st quarter:

- Give feedback on pledge for national campaign.
- Yearly agendas for tobacco programs

2nd quarter:

- Cessation group agenda formulated
- Work with national youth groups to tailor activities
- Create youth fact sheet

3rd quarter:

- Temporary tattoo designed
- 5 community partners sign the pledge

4th quarter:

- Evaluate all of the above

Bill Dubay

Goals:

1st quarter:

- Contact all Washington state PFLAGs

2nd quarter:

- Have program scheduled at PFLAG meeting

By 3rd qtr and 4th qtr: Am pretty open to filling in gaps. Ask me when you want/need something. Billdubay@aol.com

Mary Dzieweczynski

Goals:

- To review the draft National Tobacco Action Plan and provide comments.
- Share existing cessation programs and advocacy strategies used by Verbena with others as requested.
- Build a relationship with TTAC to further enhance and support Verbena's work and ability to contribute to a national effort

1st quarter:

- Review draft plan

2nd quarter:

- Share materials

3rd quarter:

- Receive technical assistance from TTAC

Alyssa Easton

Goals:

- Submit to clearance in next 3-6 months, data/findings from existing national surveys (adults) to publish in next 12 months
- Submit to clearance in next 3-6 months, Add Health youth smoking data to publish in next 12 months. Add Health is a national longitudinal survey
- Complete LGBT ATS developmental work (questions on sexual orientation and gender identity) in next 6 months

Bonnie Feldkamp

Goals:

- Return as scholarship recipient
- Current: Go to Boston
- Jan. '04: Carry over info and goals
- Will contact Misti
- I have e-mail but it only accepts brief messages

Doretha Flournoy

Goals:

1st quarter:

- Meet with representatives from CLASH, ACS, AHA, ALA to discuss LBT visibility and collaborative opportunities

2nd quarter:

- Develop a plan to integrate anti-tobacco programs into LMWHS

4th quarter:

- Implement the program

Earl Fowlkes

Goals:

1st quarter:

- Convene Black LGBT focus groups among smokers in five?? Cities in pilot study program

2nd quarter:

- Develop larger focus groups in the other 12 cities to assess the smoking habits of Black LGBT
- Develop anti-smoking policy for Black Prides
- Make anti-smoking education/treatment a priority for the Black Prides

Nancy Golosman

- I will contribute an agreed upon number of pro bono hours to help develop action item #1

Bob Gordon, Boston Health Commission

- Follow up with John Auerbach who said he would write a letter to National Coalition on LGBT Health, highlighting the positive experience with the bar law. This letter could be used by local queer advocates to allay fears that their local gay bars will never comply and thrive with clean indoor air laws

Cheryl Grady:

- Re-commit to the local coalition, beginning work on an LGBTI Tobacco Reduction strategic planning grant

Jessica Halem

Goals:

- Draft with PR task force members the “Pledge”
- Work on Chicago organizations to sign on
- Stay committed to process and work

Michael Hinson, Jr.

Goals:

- Work with the “one logo” team to finalize and distribute the national campaign
- Work with Federation of Black Pride to sign onto the national campaign, do research in the Black community through “Prides” across the nation/South Africa
- Work with the Policy workgroup to develop policy statements

Donald Hitchcock

Goals:

- Help publish website
- Coordinate fiscal sponsorship
- Work on creating budget

Susan Hollinshead

Goals:

- Continue as needed with steering committee as time permits as I look for a new job
- 1st quarter:
- Send a letter to ALA, ACS, AHA talking about tobacco control needs of LGBTQ youth
- 2nd quarter:
- Submit a grant to do research on gender variant youth

Pat Hysent

Short-Term:

- The Task Force for Tobacco-Free Women and Girls has a project this year to motivate organizations that serve women and/or girls to send a stronger message about tobacco cessation/prevention. We especially want to reach organizations that have never done anything on tobacco before. Barbara Warren is helping us to make our project LGBT friendly and to distribute materials.

Long-Term:

- Under consideration is a program that would train and provide resources for peer coaches – members of organizations that would help fellow members to quit. We would want to design this project to be interesting to LGBT organizations and individuals.

Jennifer Johnsen

Goals:

1st quarter:

- Identify who/how to start process rolling on getting LGBT included in NIH's National Center for Minorities and Health Disparities

2nd quarter:

- Determine if sexual identify/orientation on GA's surveys re: tobacco; initiate steps to include it if it's not

3rd quarter:

- Develop anti-tobacco oriented programming for ALCI's community

4th quarter:

- Attend the WIM conference and present on tobacco in LGBT community; encourage docs to do 5 A's

Joanne Joy-Maine

2nd quarter

- Create Outright funding process

3rd quarter:

- Bring together community leaders to discuss integration of tobacco into existing LGBT groups and systems

Laura Kane-Witkowski/Affirmations Lesbian and Gay Community Center

Goals:

1st quarter:

- Take part in/connect with American Lung Association's "Freedom From Smoking" training to get a full-blown treatment group at our center. Also connect with "Take Your Last Drag" in California to see how they've adapted the ALA program and made it LGBT-specific.
- Connect with local level organizations (ACS, etc.) and see who I can connect with and discuss collaboration with for bringing LGBT issues to forefront
- P-FLAG chapters in Michigan: get them on board, work to move to national level with this
- Public Health in Michigan: meet with leaders on this issue

TJ Kelly

- Recruitment for Legacy, giving people a shot at quitting smoking
- Start at home—friends/family, local data about why you should quit
- Educate myself about the politics/business of tobacco

Kirk Kleinschmidt

Goals:

- With Steven Rickards, draft a generic letter to ACS, AMA, ALA, etc. for GLMA and National GLBT Tobacco Coalition asking about commitment/programs to LGBT (within next month)
- Send copy of California's Tobacco Education and Research Oversight Committee (TEROC) master plan to Pat (has examples of recommendations on GLBT tobacco)
- Try to set up meeting with CA DHS Tobacco Control Section and DHS HIV branch regarding tobacco collaboration (next 6 months)

Wilfred Labiosa, BPHC

Short-Term:

- Outreach to other CBO's about inclusion of LGBT Tobacco Action Plan and educate them about it in their work

Long-Term:

- Identify and implement LGBT data set into two programs related to tobacco in the area

Jacelyn Macedo

Goals:

- Aid in development of LGBT ATS (Adult Tobacco Survey) instrument
- Push to include LGBT questions/issues on American Indian surveys/research

1st quarter:

- Meeting on LGBT ATS; give feedback and lessons learned from AIATS??

2nd quarter:

- Conduct cognitive interviews on LGBT instrument

3rd quarter:

- Assist in LGBT survey implementation plan

4th quarter:

- Continue to assist in LGBT survey planning

Bruce Maeder

Goals:

1st quarter:

- Work with PH HIV and PH Tobacco to work with each other
- Work with ACS, ALA, AHA to improve their queer cultural competency; provide a link to their work
- Write tobacco issues/policy awareness in our newsletters

3rd quarter:

- Work with Gay City's hepatitis vaccine program to promote tobacco efforts
- TTAC technical assistance needs

Phil McCabe

Goals:

- Increase recognition of LGBT tobacco dependence treatment
- Provide training and technical assistance to others

1st quarter:

- Coordinate resources

2nd quarter:

- Secure funding to provide technical assistance

Ken Miller

Goals:

- Continue to reach out and network with other organizations working on tobacco control
- Work on developing ideas for website

1st quarter:

- Reach out to 10% of those at meeting

2nd quarter:

- Complete ideas for website

3rd quarter:

- Reach out to 20% of those at meeting

4th quarter:

- Develop network with 50% of those at meeting

Christopher Murray

- Make sure all the people who join my cessation groups participate in I Quit
- Join national process

Ash Pachauri

Goals:

- Work/assist groups at the meeting to achieve their respective and associated goals
- Specifically, help with clearinghouse efforts; any online/internet based efforts I can be of help with
- Heal with any potential research/liason activities focused on GLBT issues

Cheryl Pearson-Fields

Goals:

- Lesbian over 40 media
- Evaluate smoking cessation
- Publish focus group data
- Public tobacco data from Spirit study

1st quarter:

- Evaluate smoking cessation program

2nd quarter:

- Develop anti-smoking messages for lesbians over 40

3rd quarter:

- Publish focus group data

4th quarter:

- Publish Spirit study data on Black lesbians and smoking
- Finish PhD!

Bryan Philpot

Goals:

- Create a progressive plan for youth becoming smoke-free
- Complete 3 smoking cessation groups for African-American youth
- Complete 1 other anti-smoking working group
- Complete research on progressive groups for youth

Laura Ramos/Los Angeles Gay and Lesbian Center

Goals:

- Gather sample work-advancements in ordinance/policy in LA county to bring to table
- Continue with Gay American SmokeOut events but include national logo and focus
- Email bar sponsorship letter to bar/club/restaurant owners asking for support and policy
- Link – and LGBT focus education to
 - Task force for smoke-free events and Committee for Tobacco-Free Sponsorship
 - Smoke-Free California
 - Tobacco Control Prevention and Programs

Francine Ramsey

Goal:

- Make contact with outreach group to coordinate outreach efforts

1st quarter:

- Contact TTAC on talking points to present at conferences and meetings

2nd quarter:

- Collaborate with other Black lesbian organizations to create survey on tobacco use, etc.

Coletta Reid

Next year:

- Work with Mountain Region of Western Division of ACS to make sure LGBT included in regional priorities.

Steven Rickards

Goals:

1st quarter:

- Continue to review action plan and look for specific ways I/ACS can participate and support

April 1:

- Finalize specific areas/tasks I committed to; following final action plan adoption

Sonya Satinsky

Goals:

1st quarter:

- Connect with Bronx Lesbian and Gay Health Consortium's Gurls? Kick Ash Program
- Talk to our Medical Director re: including tobacco-related programming in CL's programs, i.e., provide visits HIV program, Gurls Kick Ash to present for Lesbian Health Services

2nd quarter:

- Talk to NYC DOH Office of Gay and Lesbian Health Concerns about getting involved – check on Action Plan, connection to clearinghouse, awareness of tobacco coalition meeting

3rd quarter:

- Include tobacco issues on Callen-Lorde website

Emily Smith. Whitman-Walker Clinic

- Conduct health education/outreach to clientele of Lesbian Health Center/WWC, via education materials, take-home info, flip chart with facts
- Develop health information bulletin with data about lesbians, bisexual women and tobacco
- Work on a team at WWC to conduct smoking cessation workshops with LGBT clientele

Gloria Soliz

Goals:

- Facilitate the development and distribution of brochures from iQuit
 - Lesbian and Bi
 - Gay men
 - Trans
 - HIV
- Review targeting brochure
- Review action plan and make recommendations
- Women over 40 stop smoking class as Lyon-Martin Health Services, San Francisco
- Coordinate with Loretta Worthington on stop smoking in ATOD/substance abuse services
- CLASH to sign on legislators to no-tobacco pledge

Perry Stevens

Goals:

1st quarter:

- I will have participated in the P.R. taskforce to help draft a letter going out to LGBT organizations around the country as part of the campaign to recruit LGBT leadership to the smokefree cause.

2nd quarter:

- I will have integrated the info from the Dec. 9th summit along with feedback from the draft letter into the next task of the PR task force

End of year:

- I will continue to work as part of the PR task force (formed at this meeting) to accomplish tasks as needed

Mark Taylor

Goals:

- Update and include tobacco treatment on CBHS website
- Create links to other programs and agencies from CBHS website
- Try to register/include in gay search engines
- Review local cessation grant with Baltimore City Health Department

1st quarter:

- Renew grant with Baltimore City Health Department; update website

2nd quarter:

- Create info links from CBHS to others

3rd quarter:

- Complete cessation program for at least 50 GLBT persons

4th quarter:

- Distribute cessation info to health fairs at at least 2 colleges

Amy Thibault

2nd quarter:

- Introduce School of the Museum of Fine Arts Queer Student Group to opportunities (internet links, etc.) to address and reduce student cigarette consumption

3rd quarter:

- Encourage a specific initiative by SMFA Queer Group

4th quarter:

- Continued efforts and buy-in; connect group with other groups and schools

End of year:

- Extension of above

Juan Carlos Vega

Goals:

- First draft of LGBT Clearinghouse survey based on information gathered in groups. What information are we gathering as resources?
- Coordinate with TTAC the hosting of the clearinghouse of resources and data gathering

Carlos Velazquez

Goals:

(all by 4th quarter)

- Disseminate Action Plan to LLEGO affiliates for feedback
- Create a panel for a workshop/seminar at the LLEGO conference on tobacco policy with PRAXIS, LCAT, and TTAC
- Make all our retreats/conferences/trainings smoke-free
- Sit on review panel for tobacco info kit

Mackie Vigil, SMYAL

Goals:

- Outreach/educate more youth and create a 3 day retreat including tobacco 101, keep in contact with petition; train 15 and 2500 outreach

1st quarter:

- Have 15 trained outreach workers and start retreat process

2nd quarter

- Have retreat, petition signing, packets finalized

3rd quarter:

- Outreach workers have distributed at least 650 packets

Frank Wong

Goal:

- Submit one tobacco grant

Loretta Worthington

Goal:

- To assist in the creation of a budget and workplan for the national media campaign

1st quarter:

- Send developed sample policies to Colleen (and others)

2nd quarter:

- Assist in the development of ideas for the website (NCLGBTH)

3rd quarter:

- Assist in the development of a monthly LGBT tobacco e-newsletter

4th quarter:

- Extra thought: Create and fund a tobacco cessation/prevention website in collaboration with a large national lesbian constituency (fellowship project expansion)
